## FROM THE PASTOR'S DESK

There is a wonderful contemporary Christian song written by the group Casting Crowns titled Praise You in the Storm. The chorus says, "I will praise you in this storm and I will lift my hands. For you are who you are no matter where I am. And every tear I cry you hold in your hands. You've never left my side. And though my heart is torn, I will praise you in this storm." There will always be storms in our lives. Sometimes they will take the form of tornados and floods like the state of Iowa and our community has experienced so recently. But sometimes the storms will look a bit different even though they are just as upsetting: difficult medical diagnoses, economic downturns, layoffs and breakups.

When the disciples were in a boat facing a storm once, Jesus got up, rebuked the wind and told the waves to "Be still." Jesus promised that when troubles came into our lives, we could always find peace in Him, "I have told you these things, so that in me you may have peace. In this world, you will have trouble. But take heart! I have overcome the world." (John 16:33) Saint Paul said the secret to finding peace in all situations was finding your strength in Jesus, "I have learned the secret of being content in any situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through Christ who gives me strength." (Philippians 4:12-13)

I pray that you are all doing really well right now. That you are in good health and happy. That you are enjoying the freedom of summertime with your family and/or friends. That you feel secure in God's love. But soon enough, that contentment is bound to be disrupted. There will be some event or situation that makes you feel like everything is falling apart. You will become anxious. You will doubt God's love. But when that time comes, I want you to remember this: God is still with you.

God's love for you never changes. The book of Hebrews tells us that "Jesus Christ is the same yesterday, today and forever." Your circumstances WILL change. Sometimes they

will get better and sometimes they will get worse. But because of your faith in Jesus, you have a foundation of joy that cannot be shaken even though your happiness might momentarily be taken away, "Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus." (1st Thessalonians 5:16-18) As people and as a church, we always have so much to be thankful for even during difficult times.

I have been thinking a lot about how wonderful Emmanuel Lutheran Church is. God is at work in so many people. At VBS, lots of young people were singing, dancing and praying all to glorify God! We have adults of all ages helping out at worship in reading scripture, running our technology, singing in the praise team and showing others hospitality between services. Five people joined our church last Sunday because they want to be a part of what God is doing here. Our secretary and youth minister Denise Bridges has been doing an excellent job organizing youth events and helping our church to run smoothly in its day-to-day affairs. I have seen and heard of people who are continuing to help people recover from the tornado damage even as the rest of the world moves on to the next disaster. We are very blessed.

But I know that it's always easier to see blessings during good times. How will it feel when the next storm comes? We can prepare ourselves during these times of rest physically, emotionally and spiritually to be prepared for the next time life gets turned upside down. Now is the time to seek growth in your relationship with God. To remind yourself of His promises and build a firm foundation on Jesus. That way, when the next storm comes, you will be ready to face it. You will be confident of His love and assured that Jesus has promised to be faithful to you through every situation and circumstance. Jesus has promised that He is not just here at Emmanuel Lutheran Church but He truly IS Emmanuel: God with us. During good times and bad. Amen. Pastor Broers

## MINISTRY REPORTS (as available) May 2024

**Women of ELC**— no report

**Altar Guild** – no report

**Property Committee** – no report

**Music & Worship** – no report

**Children and Youth Ministry – Highlights:** Planning and hosting for the choir has been going well and we are ready for them to get here. The support from the congregation and the offers for help have been amazing. I have been communicating with them through email and we have also had several meetings on ZOOM.

-Work on Vacation Bible School from Riverside Camp and is on task for the week of June 17-20<sup>th</sup>. The theme this year is "Cultivate Life" with scripture from John 15:5, "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing."

**G.R.O.W. News:** Our final G.R.O.W. family night of the year was held on May 1<sup>st</sup>, here at the church. We started that night at 6:00 a hot dog cookout with ice cream treats, a loud and wild indoor Bingo Game because of the weather and a closing program with awards and volunteer recognition. That night, I also shared with family's summer camp and our VBS week.

-VBS registration is going slow with the disaster that has occurred in Greenfield. I have spoken with the camp director; Chris at Riverside and he is helping me prepare the camp team that will be coming. I am anticipating either smaller attendance this year with all that is going on or a larger one! We will be prepared with whatever God brings our way. Brittany Bridges will be the Director of the Pre-school and Kindergarten students and is excited to be working with them again this year.

**Confirmation Class News:** The week of June 9-14, we have 5 boys from the Confirmation class attending camp at Okoboji Lutheran Bible Camp. Pastor Broers will be taking them and spending the week with them at the camp.

**High School Group News:** On May 1, at the GROW Family Night, we recognized 7 High School Students for faithfully attending and volunteering every Wednesday at GROW. They have been so dedicated and the kids love seeing them every week.

-We have ended our weekly youth group meetings as of May 1 for the summer. Between graduation, summer jobs, camps, and sports it gets really hard to meet. I am planning events throughout the summer to help us all stay in touch.

-With the challenges that some of the High School Students have been facing since the tornado, I have been checking in with them by phone and text. They have made me very proud with the amount of volunteer work and support they have been giving the community of Greenfield.

-The NV Ministerial Association held the Graduation Baccalaureate Service at the High School on May 15 with area ministers. This year's class was 56 students and we were able to host approximately 30 members of the class.

**Congregation:** Distributed and collected a new Time and Talent Survey for the congregation.

-Helped the Ladies Circles with serving at several funerals this month.

### Comment from Pastor

We have received a lot of requests for suggestions about how to best help the City of Greenfield and the people affected by the tornado from compassionate people both within our church and from other churches. One of the best ways to help right now is by giving a monetary donation to the Greater Greenfield Community Foundation because we can be sure that all funds will go directly to help families in need. In the weeks and months to come, we hope to be able to find other ways to help people with donations and volunteering, but this seems to be the way that would help the most right now. Thanks so much for your generous hearts!
