FROM THE PASTOR'S DESK

Last Sunday, July 28th, I informed the congregation at Emmanuel that I will be resigning as the pastor here in Fontanelle and accepting a new call to Saint John's Lutheran Church in Le Mars, Iowa as their senior pastor. I will continue to serve as the pastor here throughout the month of August, but I will begin serving in Le Mars at the beginning of September. My last Sunday here will be September 1st.

I want you all to know how difficult this decision has been. I have loved being the pastor here at Emmanuel for the last fourteen years and it has been hard for me to even imagine serving anywhere else. However, I have felt for a while that God was telling me that my time here might be coming to an end. Last September, I began interviewing at churches, but the process of finding a new call has been tough partially because it is so hard to find a church that feels as much like home as this one does.

Emmanuel is blessed to have a vibrant youth program, an inspiring praise team, and many people who are willing to step out in faith and lead. In addition, many of you have truly cared for me and my family over the years which makes leaving that much harder. You all have become our family and we have grown deep roots here. I believe that my older children especially will always think of Fontanelle as their hometown and the memories and friendships they have made here will never fade away. For Micah, Stephen and Zoe, they have never known any other home. It has been a wonderful place to raise a family and to grow in our faith.

Over the years, we have done some fantastic things together. I thought it would be fun to list a few ways that I have seen God at work over the years:

Starting God Rocks On Wednesdays (GROW) has been such a blessing! Through this ministry, many adults have witnessed to their faith and so many children have been fed both physically and spiritually. The Holy Spirit

has worked through GROW to help many children nurture a desire to be baptized and join the family of God!

Many people gave generously through the vision fund for our building to renovate both the outside and inside of the church in projects such as tuckpointing as well as replacing the cement and plaster. In addition, it was through the vision fund for mission that we trained an intern pastor, Anthony Scali, supported over twenty counselors with stipends one summer for our Bible camps and hired the first youth minister at Emmanuel, Denise Bridges.

The praise team will always be a ministry that I will remember with joy as well. So many of our youth have been involved over the years which has been a real blessing. Also, it is truly inspiring to have such dedicated instrumentalists and singers to lead worship every week. One of the most difficult things to find in a small town is a strong contemporary worship service with a wonderful praise team.

Over the last fourteen years, some of my most precious memories will be the funerals that I was honored to be a part of as well as the celebrations of weddings, baptisms and confirmations! You have let me become a part of your families and for that I will forever be grateful to God for you. It's really hard for me to say goodbye because you mean so much to me. You were always much more than my congregation—you have been my family. I truly cherish you and thank God for letting me be a part of your lives for so long.

Jesus is still here and always will be. We are all called to follow Him and let His light shine brightly through us. The Holy Spirit is the one in control. God will call another pastor to serve you because He has a plan and a purpose for this church. I will be praying for you and will hopefully have the chance to say goodbye in person over the next month to many of you. It has been an honor to serve you. – Pastor Steven Broers

Ministry Reports – June 2024

ELCA Women - The ELCA women did not meet in June but did provide assistance with supplies and snack foods for the VBS week, June 17-20. The women of the church are always invited to attend the monthly meeting and bible study at 1:30 on the second Wednesday of each month.

Altar Guild – no report

Property Committee – Painting was completed in the front of the church by Bubba Sorensen. Thanks were offered to him for updating area around Jesus. A new American Flag will be ordered and will replace the current flag outside the church.

Music and Worship – no report

Children and Youth Ministry – Highlights: The biggest highlight this month was a very successful visit from the Kallavesi Lutheran Church from June 6-10. It was a very filled week of sightseeing, visiting, meals and singing. I really enjoyed being able to assist them with their visit.

-Another year of Vacation Bible School from Riverside Camp took place the week of June 17-20th. The theme this year is "Cultivate Life" with scripture from John 15:5, "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing."

G.R.O.W. News: The week of VBS we have great weather and only a little bit of rain. Our attendance was down this year, about half of our normal attendance. I contribute that to the events in Greenfield. I know that we have families that are currently living in other towns, kids that are with grandparents for the summer and other reasons. I sent out letters to all of our current GROW kids and past VBS kids and heard from several families this was a difficult year. I am praying and staying in touch with as many families as I can.

-This year's attendance for VBS was about 15 pre-school kids and 29 for 1st-6th grade. We had 15 very dedicated adults and teens that helped and we could not have done it without them. Our group of counselors from Riverside were very well prepared and the kids loved having them here. I really enjoyed their excitement and way with our kids. Brittany Bridges and her helpers did an amazing job with the preschool kids and other than a few band-aids made it through the week with no problems.

-On July 17th from 6:30 to 8:00 we are having a VBS follow-up Veggie Tale night at the church, with a movie, snacks, a craft project and just plain fun! Letters have been sent out to all families inviting them to join us.

Confirmation Class News: The week of June 9-14, we had 5 boys from the Confirmation class go to camp at Okoboji Lutheran Bible Camp. Pastor Broers took them and spent the week with them at

the camp. There were no major accidents and I know from several of the mom's they all had a great week.

High School Group News: We had several students assist us with VBS and we are hoping they help us with Veggie Tale night also. This will be a rebuilding year and a younger high school group coming up this fall, with 7 of our kids graduating this past May. I am working on a kick off for them as we get closer to the start of school.

-The NV Ministerial Association will be planning and putting on 3 – 5th quarter nights after home football games in the fall at the Gathering Place. We will be working with the other churches to provide a place for the kids to have fun and spend time together. We are planning on games and food for the kids.

Congregation: Attended the Outreach Meeting at the church

-Attended the ELC Women's Bible Study here at the church.

-Attend and participate in the weekly prayer meeting on Thursday mornings in the church.

Community/School Outreach: Have attended several mental health meetings in Greenfield

-No June NV Ministerial Association this month

-Attended school events and games and library programs.

-Working with 4H club on fair and events in the community

Current Projects: Developing the calendar for 2024-2025 GROW and Confirmation programs.

-Writing and preparing the weekly lessons for Grow

-Working with Pastor on the scheduling and lessons for Confirmation

Memorial Committee – A new welcome mat was purchased and installed inside the front doors of the sanctuary.

Adult Ministry – no report

Stewardship Committee – no report

Outreach Committee – The Outreach Committee met on June 5th with 6 people attending. Pastor opened with a devotion on Galatians 6:2. The agenda contained items on how we can support the Greenfield Tornado victims. The Tornado Relief Application from GGCF was shared and applications are being accepted until July 15th. Copies of the application will be available at church by the mailboxes. Additional opportunities of assistance were shared with all. Additional resources for Behavioral needs were shared by Raedeen. Cards and letters are being sent now to all victims from the Cup of Cheer Ministry. A discussion followed with ideas and ways that we can look to help victims in the long term and also members of our church.
